

**2010 Campership Application**

It is the intent of the Council Campership Fund to provide assistance to families experiencing financial hardship. Campership funds are made available to assist those Scouts with an extraordinary financial need to experience an outdoor Scouting adventure. Camperships are intended to support and supplement other sources of funding, including funds earned by the Scout, plus family, unit, sponsor and/or other sources. Funds are available only for Scouts attending an Iroquois Trail Council Camp.

Funds may be requested for up to 50% of the camp fee.

All information requested on this form must be completed for the Campership Application to be accepted for processing. All information on this form is confidential.

**YOU MUST USE A SEPARATE FORM FOR EACH YOUTH AND EACH CAMP.**
